In loving memory of

George Roy - February 7th, 2000

Claire Roy - February 14th, 2013

Ralph Laliberte - February 21st, 2002

Feel no guilt in laughter,
They know how much you care.
Feel no sorrow in a smile,
That they are not here to share.
You cannot grieve forever,
They would not want you to.
They'd hope that you would carry on
The way you always do..

So talk about the good times,
And the way you showed you cared,
The days you spent together,
All the happiness you shared.
Let the memories surround you...

A word someone may say
Will suddenly recapture a time,
an hour, a day that brings them back
as clearly as though they were still
here and fills you with the feeling
that they are always near.

For if you keep those moments,
You will never be apart
And they will live forever
Locked safely within your heart...

The sorrow of losing you is
lessened with the knowledge
that you are all together and
must be so happy! We love you
Mom, Dad & Mooshum...
With Love from the family

6	9	5						
			1	7				
		8			6		4	2

The aim of
the puzzle is
to enter a
number from
1 through 9
in such a
way that
each row,
column, and
region
contains only
one instance
of each
number.
