Influenza Information Update

While the slight decline in laboratory confirmed cases in the south is reassuring, the opposite is being seen in the North - last Wednesday we were advised that just over 50% of laboratory test from the North are testing positive. Activity in the northern areas of the province is still likely on the increase.

Protect yourself, your families and the community.

The next drop in flu clinics will be on February 10th & 20th. For more information about the flu program or if the dates stated below do not work for you call the Public Health office at 306 288 4806.

Immunizations

Is your child up to date with their immunizations? Has your child had their 2 month, 4 month, 6 month, 12 month, 18 month and 4 year old immunizations? Please call Lindsay at 306 288 4806 to book an appointment or to check immunization status.

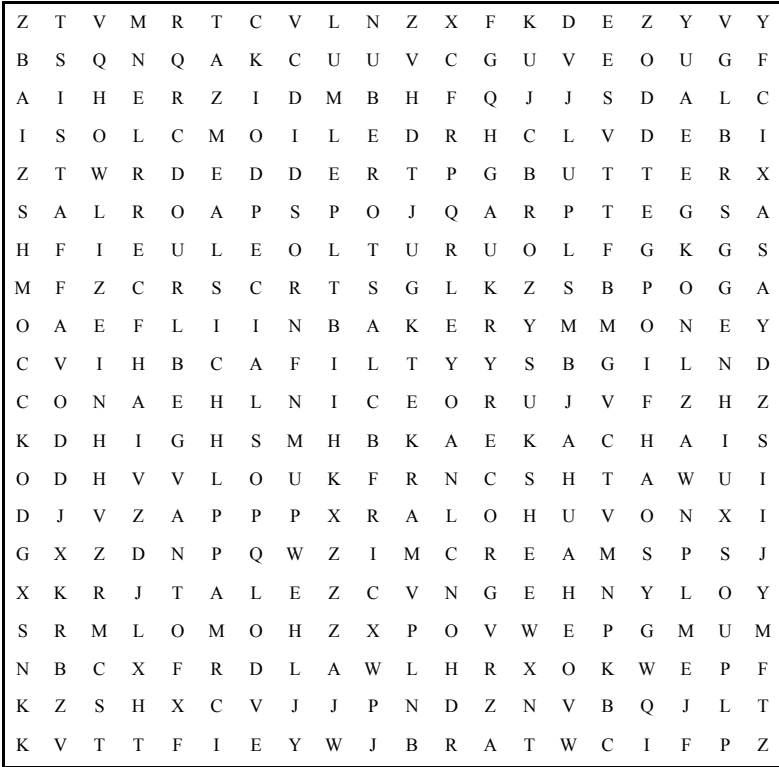

Baby Clinics

February 12th & 19th

****Protect your children from preventable diseases!**

For more information about baby immunizations and FLU SHOTS call the Public Health Office @ 306 288 4806.

RCMP Media Advisory
Building a healthier community together

If you are concerned for the health and stability of your community, we, at the Beauval RCMP detachment, are looking for your help.

We all know that drugs in this community are running wild and threatening the very core of this community. Drugs affect far more than just the person taking them. Drugs and the drug trade contribute greatly to the crime rate in the community, from petty thefts to support an individuals drug habit up to serious assaults and possible homicides.

Violence goes hand in hand with the drug trade. The RCMP does not wish to see this community torn apart as a result of drugs. We want a healthy, thriving community as we are a part of this community as well.

- If you know anything about the drug issues in Beauval, the following ways are available to you to report what you know. Please note that all information you give and your identities will be protected:
1. Crime stoppers
 2. Call the Beauval RCMP Detachment
 3. Stop by the Detachment in person
 4. Write a letter
 5. Speak to a member when we are out in the community
- Please do not do anything to put yourself in harm's way to gain any type of information.
- We all need to step up and fight back in order to keep this community happy and healthy.

Precautionary Drinking Water Advisory

This advisory applies to the residents and users in Lot 6 Block S in the Northern Village of Beauval and is effective February 4, 2014 at 9:00am until further notice.

Pursuant to clause 31(1)(a) of the Environment Management and Protection Act 2002 this Precautionary Drinking Water Advisory is issued due to a water main break and therefore the safety of the Village's drinking water supply cannot be ensured at all times. Pursuant to Clause 32(1) (b) of the Environmental Management and Protection Act 2002, consumers must be notified to:

- (a) boil all water, used for drinking purposes, for at least one (1) minute, at a rolling boil, prior to use;
- (b) Boil water to be used for other activities where it may be ingested, including:
 - (i) brushing teeth or soaking false teeth;
 - (ii) dishwashing, unless sanitized in another fashion
 - (iii) washing fruits and vegetables
 - (iv) food or drink which will not be subsequently heated; and
 - (v) ice cubes
- (C) not drink from any public drinking fountains supplied with water from the public water supply
- (d) under most circumstances, not need to boil water used for other household purposes. Adults, adolescents and older children may shower, bathe or wash using tap water but should avoid swallowing the water. Laundry may be washed in tap water, either by hand or by machine
- (e) ensure that younger children and infants are sponge bathed
- (f) use an alternative water source known to be safe, if they do not wish to boil the water,
- (g) consult with your physician if you have cuts or rashes that are severe before using the water.

If you require any additional information, please contact the following:

Cameco is currently seeking
“Recreation Directors” - 2 positions available

POSITION AND RESPONSIBILITIES

Working as part of the site human resources team, you will be responsible for the administration of the Cigar Lake projects Live Better Program. This will include planning, developing, presenting and coordinating monthly wellness themes while promoting a healthy lifestyle to all employees. You will also be responsible for chairing wellness committee meetings. You will also be responsible for coordinating the maintenance of camp and administration facilities, which includes conducting regular kitchen inspections and managing the catering and janitorial contracts.

EDUCATION AND QUALIFICATIONS

Requirements of the position:

- ▼ Minimum Grade 12 diploma or equivalent
- ▼ Recreation diploma or equivalent
- ▼ Minimum one year related experience in wellness and facilities or hospitality management
- ▼ Equivalent combination of education and work experience considered
- ▼ Excellent communication and organization skills
- ▼ Work a rotational schedule and commute to site by aircraft

Safety is a top priority at Cameco. Successful candidates for all safety sensitive positions must pass a substance test as a condition of employment.

We offer:

- ▼ Competitive pay
- ▼ Superior benefits
- ▼ Employee share ownership plan for all employees
- ▼ Live Better wellness program

Deadline: February 18, 2014

Please Quote Competition # 3401

Employer Website: www.camecocareers.com

Cameco values diversity. In keeping with this principle and our employment equity goals, we particularly encourage qualified applicants from designated equity groups to apply.
