In loving Memory of our Mother & Wife

**Janice Laliberte**

**April 19, 1998**

An angel lived among us,  
A gift from God above.

She showered us with kindness  
And shared with us her love.  
She cherished every moment  
With the man who was her life;  
Walking hand in hand together,  
Facing life with all its strife.  
She loved her children dearly,  
Each one a different way,  
Nestled close within her heart.  
Though, now, she's far away.  
She's gone to live with Jesus.

But, she's here with us, today,  
Smiling down on every one of us,  
And telling us she's O.K.

*Lovingly remembered and forever in our  
hearts, Glen, Glenda, Marc, Cody & families*

In loving memory  
of our sister/auntie

**Carol Alcrow**

April 27th, 2009

They say there is a reason  
They say that time will heal.

It's been six years  
Since she has been gone.  
Our family chain is broken  
And nothing is the same  
We often speak her name  
But all we have are memories  
Her resting place we visit  
And put flowers there with care  
But no one knows the heartache  
As we turn and leave her there.

Missing you & always in our hearts,  
Philip Sr, Sandra,  
Charly, Allison, Josie & Phil Jr.

**The Graveyard Fund Update** Submitted by Velma Roy

The Graveyard Fund had ticket sales on April 14th. Thank you to Cecile Fiedler, Mary Bottrell and Agnes Lafleur for your donations. We raised a total of \$117.00. We will be continuing with ticket sales for the months of May & June and are also looking at other fundraising ideas. Feel free to donate any items at our ticket sales or to give me some fundraising ideas. My number is 306 288 7187.

I would personally like to thank Agnes Lafleur, she started this whole thing with Vivian Bouvier and I. Thank you Agnes for being our spokesperson and our guide as to what is needed.

We are also thinking of a date for graveyard clean up. We would like to fix up crosses for the graves and to put names where there aren't any. We need to have an idea of how many crosses that are needed. Any help we receive is greatly appreciated.

## Are you worried about the illegal activities in your neighborhood or community?

There is two places that you can contact. The calls that are taken are all confidential-meaning your information taken will not be disclosed.

### Safer Communities and Neighborhoods (SCAN)

On any block and in any neighborhood, it only takes one house that is harboring illegal activities to undermine the safety of all residents of that community and affect the property values throughout that neighborhood.

The Safer Communities and Neighborhoods (SCAN) legislation is intended to empower residents to take back their neighborhoods by reporting problem residences or businesses that are habitually used for illegal activities. These activities could include drugs, prostitution, gang or criminal activities, child sexual abuse or the unlawful sale or consumption of alcohol.

### About SCAN

The legislation for SCAN includes a process for police to address public safety concerns related to fortified buildings and/or the surrounding land.

### Contacting SCAN

There is an Investigation Unit in both Saskatoon and Regina.

### Making a Report to SCAN

If you have a concern about a property in your neighborhood, for your own safety you should not attempt to investigate on your own, or approach anyone on the property. SCAN enables you to share your concern confidentially with investigators who will follow up on your concerns.

If you are suspicious of a property in your neighborhood, do not investigate it yourself or

approach the occupants.

Please call the Safer Communities and Neighborhoods Investigation Unit immediately.

There is an Investigation Unit in both Saskatoon and Regina.
