**Social Development Coordinator**

Hello, my name is Jolene McKay, I was hired as Beauval's Social Development Coordinator. This program runs through the Village Office/Social Services. It was created to help in the community capacity building process, which means to utilize and build on the agencies we have within our community and surrounding areas.

I just recently started full time in September. I am still in the learning process as there is so much to learn with this position, but please feel free to stop by my office located at the Sister Simard Centre or by contacting me @ 306-288-2110.

**Valley View School**

PLEASE make sure your child(ren) are lice and nit free.

**Greatly Appreciated!!**

waiting for finally came in. On top of funds that were contributed by the Northern Village of Beauval and PLEDCO, Clarence Campeau Development Fund (CCDF) finally put the final piece of the puzzle in place by confirming the approval of our \$100,000 community grant and additionally a mortgage that would complete the remainder of funds required for this project. This \$2.1m dollar project is now underway and we were able to celebrate the groundbreaking on Oct 5th with some community members and media personnel on hand. We would like to thank everyone who played a part in the planning process and the patience of the community while Mayor & Council deliberated at meetings and participated in conference calls to negotiate the agreement. We anticipate the completion of this hall to be done by June 2016 for a Grand Opening in July 2016.

## Beauval Fire Brigade

At this time, on behalf of Mayor & Council we would like to extend our deep appreciation to our local Fire Brigade for working diligently on keeping their skills top notch and protecting our community from fires. With the dry summer season we have had, the quick response on containment of the in-community fires was appreciated to help avert additional damage to other structures in the community and the potential spread to near-by trees. Many times in my travels I have heard the name of our fire department mentioned with great praise and under the leadership of Fire Chief Jerry Morin, it is well deserve praise. They continually improve their skills in all areas of Fire & Rescue and remain examples to their peers in neighboring communities. Their exemplary response to motor vehicle accidents by emergency medical staff is also noted and

appreciated. We would also like to take this time to thank and give well-wishes to those firefighters who have moved away from the community: Keith Roy, Karmen Gauthier, Shane Opekokew, Naomi Corrigan, Joey Lafleur.

### ***A big thank you to the current Fire Brigade crew including new members:***

Fire Chief Jerry Morin, Deputy Chief Dennis Daigneault, Communications – Shirley Bell-Morin, Captain Philip Alcrow, Julian Alcrow, Andrew Aubichon, Thomas Alcrow, Blaine Apesis, Sarah Aubichon, Jason Bottrell, Jayden Campbell, Ashton Corrigan, Ryan Day, Duane Elzinga, Cayde Gauthier, Jason Lafleur, Travis Laliberte, Clinton Morin, Dale Morin, Derek Roy.
