Goodbye CIPI... After a short 4 months at CIPI, my term is now finished and Julieann will be returning. It has been quite an experience learning all the new technology CIPI is offering with their digital cable. Many times I wanted to scream in frustration with all the things I had to remember and I'm sure Randall or Fred wanted to scream at me too (lol). It was an extreme challenge at times and although I mastered some of them easily enough, some things I just left to Randall. Thank you to Fred, Randall & Dion for your patience, guidance and quick responses to my "cries for help!"

Welcome back Julieann! Deadlines, ads, payments, phone calls, newsletters, etc, etc.. they are all yours again! Thank you for giving me the opportunity to challenge myself again!

See you on the bingo side everyone! (I'm not going far hey?)

August 4 - September 24th**

It's been 11 years since you left us, but I can still see your smile.

I remember every place we had been together.

I remember the boat ride we had the last night before you left.

I remember setting the net and when I couldn't steer the boat right, you were yelling and then we laughed about it.

I remember the morning you left me to go check the net and I asked if I can go and you said you would be okay.

I cooked breakfast for you but you never came back.

I will always miss you.
You are forever in my heart.

Love Josephine
