Beauval-Sipisishk Metis Local #37 Update

As I prepare to head to only my second Metis Nation Legislative Assembly in Yorkton this weekend, I figure I should update our local on a few things.

Local Membership/AGM

We have been encouraging members to register locally as to rebuild our membership database for when we are to hold Annual General Meetings (AGMs). Our next AGM is scheduled for September 2016. The exact date, time and location will be published at least 30 days prior to the AGM. This year will be an election year for the positions of President, Vice President, Secretary, Treasurer and 2 Directors. If you want to be able to vote, please ensure you have filled out the Metis Local #37 Registration Form. Copies are available at the Village Office.

Metis Cards

While our local currently does not provide Metis Cards, you are still encouraged to begin the process of applying for the Provincial Metis Card. I will know more about the status of the Genealogy Department of the MN-S after this weekend. You will need to have your family tree and birth certificate for this process.

Participation Agreement

Our local had begun the process of negotiating a participation agreement with Cameco/Areva industry partners in partnership with the Northern Village of Beauval. As our membership largely consists of Metis individuals from this community, we felt it only fitting that we partner in the negotiation process. We have retained the law services of Devlin Gailus Westaway (DGW) Law out of

Ontario to start this negotiation process for us. This is the same law group that negotiated Southend's Participation Agreement. We hope to make some headway in this prior to the election, but if not we will gladly pass the torch to the next executive that is elected in September. We require information from the community for this process, and we have been provided a survey by the law group to take to target groups such as Elders, Youth and Traditional Land Users. We will have individuals out there doing surveys shortly, please assist these individuals in providing them with as much information as possible. This will help our legal case.

General Information

Our local has been active in attending the Beauval Co-Management meetings in regards to land uses for leases and permits for things such as forestry activity. As always, I am available to field any questions or concerns at my office which is currently located at the old Village Office building but will soon be moving upstairs to the Sister Simard Center. I am also available at (306) 288-7123 should you need to register and have a letter written for proof of Metis citizenship for things such as school, scholarships, etc.

*Thanks,
Nick Daigneault
President, Metis Local #37*
