Terry Fox Run Update

Tansi! A total of 17 people participated in the annual Terry Fox Run that was held on Sunday, September 18th. The walk around the outskirts of town started at 4:00pm from the Beauval Recreation Centre and finished there as well. Participants were then treated to pizza and pop from MDeez. Money raised from this event will be forwarded to the Terry Fox Run organization supporting cancer research. Beauval raised a total of \$528.00, job well done. Here are the people that handed in pledges along with the amount. Shirley Bell-Morin \$190, Lucy Laliberte \$155 and Maudlin Forde \$153. There were also two personal donation made by Mary & Merv Bottrell for \$10 along with Antoine Gauthier for \$20. Other participants include Ruby Morin, Andrew Bigsmoke, Rose Lafleur, Amber Couillonneur, Shaden Iron, Paula Bouvier, Rena Lafleur, Drake Alcrow, William Lafleur, Alvina Roy, Sherden Campbell, Elizabeth Roy, Wayanna Laliberte-Opekokew and Mary Bottrell. We also had a couple of random draws. Elizabeth Roy won the Terry Fox T-shirt and William Lafleur won the bike that was donated by the Meadow Lake Co-op. Overall, it was a fairly successful event. We surpassed last years total money and raised which was \$461. Thank you from Beauval Recreation for supporting the 2016 Terry Fox Run.

Minimum Wage Increase Effective Oct. 1

Released on September 27, 2016

Saskatchewan's minimum wage will increase to \$10.72 an hour. The change will take effect on October 1, 2016.

"Increases to the minimum wage, when combined with other supports and tax exemptions, help ease the financial burden for low-income earners," Labour Relations and Workplace Safety Minister Don Morgan said. "By annually reviewing the minimum wage, we have created a predictable system for employees and business owners."

Saskatchewan's legislation provides for an annual review based on changes to the consumer price index and the average hourly wage.

Any changes to the minimum wage are announced by June 30 each year. Any changes take effect October 1.

There are approximately 23,200 minimum wage earners in Saskatchewan's workforce. The majority (56 per cent) are under the age of 25 and largely work in the accommodations, food services or retail industries.

For more information about Saskatchewan's minimum wage, visit www.saskatchewan.ca.

CIPI, Village Office, GDI Office, Beaver River Housing and Northern will be closed on Monday, October 10th, 2016 for Thanksgiving Day
