For more information & to book display table call 306-288-2079
Sponsored by Committee for Future Generations

**Northern Village of Beauval
 Immediate Release - May 18th, 2017**

The Council of the Northern Village of Beauval has recently conducted a review of its internal operations. As a result it has been determined that the public interest is best served by making some recommended changes in the Village's administration. Unfortunately this has required the termination of the employment of certain Village employees. It is regretful that these actions had to be taken but given Council's primary responsibility of ensuring efficient administration and the proper use of public funds, this was the only option.

If you have any questions, please direct them to Council.
 Thank You

CIPI Newsletter – May 19th, 2017

Thank You!

We are truly grateful for all the help we got during the time of our loss. We, the Gardiner family, would like to express our gratitude for all the donations, cash and to the helpers working. Also to the CIPI staff for letting us have the auction. Gratefully yours!

Man in the Sea - Moral Story

A group of men were walking along the beach beside the gushing sea water. Suddenly they notice the body of a man wobbling up and down in the churning waves.

Thinking the man was dead, they ran to the beach trying to figure out how they were going to fish the body out of the water before it was swept out to sea.

Their discussion came to an abrupt halt, when the man they thought was dead, emerged from the water, dried himself off and started walking away.

The men ran after the young man and asked, "How did you survive in the water?"

No one could swim in that water without being killed!

"It is real easy," the young man replied, "I just went up when the water went up and down when the water went down."

Moral of the Story: *Life always has its up and downs, its how we adjust and handle ourselves in these situations that decides how far we go in life. The moment you quit is when you lose the battle.*

Community Beautification Week - May 21st to 27th

Deadline for letters of interest is May 23rd at 12 noon

WAR AMPS KEY TAGS COULD SAVE SASKATCHEWAN RESIDENTS HUNDREDS OF DOLLARS - May 9, 2017

Most of us don't realize how valuable our car keys are until we lose them. In recent years, remote starters and built-in unlock systems have sharply driven up the cost and complexity of the humble car key, with some owners paying hundreds of dollars in replacement fees. War Amps key tags, going out to Saskatchewan residents this week, can help prevent this hit to the wallet and the inconvenience of arranging for new keys.

Each key tag has a confidentially coded number. If you lose your keys, the finder can call the toll-free number on the back of the tag or place them in any mailbox, and The War Amps will return them to you by courier, free of charge.

"Car keys are more sophisticated than ever, and replacing one is no longer a quick cheap trip to the hardware store. We have heard from people who said they would have had to pay anywhere between \$200 and \$600 had they not had a key tag protecting their key ring," says War Amps spokesperson Rob Larman.

He emphasizes that key tags are not just for car keys. "They can be used to protect keys for your

house, mailbox, or bike. Many people also attach USB sticks and sentimental items to their key ring and are relieved to have them back."

"Although the Key Tag Service is free, owners are so grateful when we return their keys that they often make a donation to say thank you, particularly when they've avoided hundreds of dollars in replacement fees."

The Key Tag Service was launched after the Second World War so that returning war amputee veterans could not only work for competitive wages, but also provide a service to Canadians that would generate funds for the Association. The Key Tag Service continues to employ amputees and people with disabilities and has returned more than 1.5 million sets of lost keys since its inception.

The War Amps receives no government grants. Donations to the Key Tag Service fund the Association's many programs for war amputees, and all Canadian amputees, including children.

Those who do not receive their key tags in the mail can order them at waramps.ca or call toll-free 1-800-250-3030.

RECREATION REPORT

Tansi. My name is Wayne Laliberte, Recreation director for the Northern Village of Beauval. Here is an update of programs, activities and events. The trapping, fishing and hunting program is complete for now, however we will incorporate a summer cultural camp, so the youth can continue learning the traditional lifestyle of harvesting food. Thanks to Lionel, Vince, Travis and Merle for taking the time to administer this program. The Fiddle Program will also continue in June. There will be three sessions scheduled for that month. Dates will be posted by the end of May. Its been a while since the children got together for a practice, hopefully they can get in the groove again. Continuous funding for this program is actively being pursued. Instructor Adam Daigneault has confirmed he will continue to teach the children all about playing the fiddle.

The Adult coed Volleyball League will conclude at the end of May. Thanks to everyone that participated . Recreation will now form a Slo-Pitch League. Even with free pizza and pop, a meeting that was scheduled on May 9th to form a Youth Group turned out with only Cody and Wehkees showing up. Another meeting will be planned in the near future, possibly at the school. The 17 & under Youth Co-ed Slo-Pitch team will be participating in a regional league starting on May 25th. The coach is Kara Kohle. Team members will have regular practices, once everything is in full swing, Cody will keep the team updated on the schedule of play along with any other issues pertaining to the league. Umpires are needed for local games. You can let Cody

know if you would like to be an umpire for any of the games. It pays \$50 per game. It also helps if you're certified.

Local Community Soccer will be starting soon. Coaches are needed. Kids can sign up by calling 306 -288-2064 or comment on the Facebook post.

There is a 17 & under Youth Fish Derby on Saturday, May 20th from 1:00 to 6:00pm at the River's Edge. \$5.00 entry fee, lots of great prizes to be won. Concession will also be available. There will also be a \$10 a player Volleyball Tournament at the Community Gym starting at 3:00pm with warm-ups at 2:00pm.

Saskatchewan Parks and Recreation Association have approved the Metis Sport Recreation Grant in the amount of \$2000. This will be used to purchase Badminton equipment in place by the end of May.

Saskatchewan Parks and Recreation Association have also awarded us a \$500 grant to promote Recreation and Parks Month which has been designated for June. A day of events are being planned for June 17th. The fencing at the Ball Diamond #1 at the Sports Grounds is being replaced. Fire Suppression have commenced the project. Completion should be in a couple of weeks. Thanks to the Northern Village of Beauval for supplying the material.

That's it for now, but there's more to come! Beauval Recreation is always open to new ideas for programs. Youth Programming ideas can be given to Cody Docken who is the Youth Programmer. The Recreation Office number is 306 288 2064.

Thank You.
