BEAUVAL WRITER AWARDED ARTS BOARD GRANT

Beauval writer Victor Mispounas was awarded a $6,500 Indigenous/ Métis Art and Artists grant from the Saskatchewan Arts Board "to write a book about the traditional use of plants, his life and his culture."

The Indigenous/Métis Art and Artists program aims to increase access to public funding by Indigenous artists in Saskatchewan, either to develop their artistic/cultural practices or to share their art, skills and teachings.

At the most recent grant deadlines, the Saskatchewan Arts Board awarded funding to more than 100 individuals and organizations, totaling over $900,000. Arts Board funding supports a variety of initiatives, including organizations that provide ongoing programs in the arts, the creative work of professional artists, community art projects and the engagement of professional artists to work in schools with students and teachers.

Established in 1948, the Saskatchewan Arts Board is the oldest public arts funder in North America and second oldest in the world after the Arts Council of Great Britain – 2018 marks the Arts Board's 70th anniversary! We provide grants, programs and services to individuals and groups whose activities have an impact on the arts in Saskatchewan and ensure that opportunities exist for Saskatchewan residents to experience all art forms. For more information on our programs and services, visit www.saskartsboard.ca.

CIPI UPDATE

Our bingos have taken a beating during these summer months. We cancelled 2 bingos in July due to the amount of people leaving our community to attend pilgrimages, campouts, etc. Although we have tried not to lower the prizes for the bingos, on several occasions we had no choice. We thank you for understanding and your continued support. We will be hosting a bingo on Friday, August 31st with $500 to go in the Early Bird series and $2000 in the Bonanza. Our next Early Bird Prize will be $1000. If you have any suggestions on what you would like the Early Bird prize to be, just give us a call at 306 288 2222 during business hours or let one of the bingo workers know.

Stay a step ahead of your health

The **Screening Program for Breast Cancer** mobile bus will be in Beauval on August 23rd - 28th, 2018 at the Beauval Health Centre parking lot. (please note: dates are subject to change)

If you are 50 years of age or older, call toll free to 1-855-584-8228 to make an appointment for a mammogram (breast x-ray) or check with your health centre.

Please bring your Sask Health Card to your appointment.

On Tuesday, September 11th, 2018, APTN will feature a documentary called **First Contact.**

This documentary takes six Canadians, each with stereotypical opinions about Indigenous People, on an unforgettable 28-day exploration of Indigenous Canada. It's a journey that will turn their lives upside down, challenging perceptions and confronting prejudices about a world they never imagined they would see. This exploration of the true Indigenous experience in Canada will change the participants' lives forever.

Beauval Recreation Report

Tansi! The summer months are usually a busy time for everyone, especially July when a lot of community members are out enjoying their holidays. It was great to have the summer students look after daily activities for the various age groups throughout the month of July and also assisted with the different outdoor camps that took place in August. There was a Family Campout on July 27th to 29th. This was hosted by Social Development with the funding partnership of Beauval Minor Sports and Recreation, Youth Campout on July 31st to August 2nd, Youth Campout on August 7th to 9th and Community School Recreation & Beauval Recreation are hosing a Family/Elders Campout on August 27th to 30th at Sandy Beach Resort. The plan is to also have the Elders Evening on the 30th for ages 55+ which will include a meal, bingo & entertainment. I would like to thank and acknowledge everyone that helped out in making these summer campouts possible. It's considered natural healing when you're in the great outdoors. There was much fun and excitement by all that participated. Thanks to Urban Housing for Indigenous Peoples for the $10,000 funding of these camps. Most recently, a $2500 grant has been awarded to Beauval Recreation from The North Face Canada Explore Fund to hopefully administer a Youth Fall Moose Hunt for a total of 8 youth between the ages of 14 to 17. However, this idea is still in the early planning stages. An additional recreation program that we can now implement is indoor curling. A $2000 grant courtesy of Saskatchewan Parks and Recreation will allow us to purchase 2 sets of indoor curling equipment. This program will be included alongside the volleyball, badminton and floor hockey programs. Basketball is still on hold until the nets are installed. The Arctic Beverages/Pepsi score clock is also waiting for full installation. The exercise equipment provides an excellent opportunity for community fitness programs and if needed, more equipment can be accessed utilizing various grants. Completion of the renovation and upgrades of the ball diamonds is in the works. Six Rivers Fund has committed $10,000 towards this initiative and I will be looking for additional dollars for full completion of this project. A mud bogging pit has also been recently built at the Sports Grounds which will add to a form of recreational entertainment for the community. There are still 2 active cultural programs which is fiddling and jigging and after a summer break these 2 programs will resume in the next couple of weeks. These programs will wrap up in late fall and I will be re-applying for funding. We have 2 cultural event competitions that will be taking place in September. The Community Gymnasium and Recreation Centre are actively open during the week for different sporting, recreation and leisure activities. Schedule is posted on Facebook and the CIPI Cable scroll. "Forever in Motion" training is still being planned for our community. The availability of the instructor delayed the timing of this training which was originally scheduled for July. I will keep you updated on the implementation dates. Summer is not quite over yet, however we will be starting the fall and winter planning of recreation programs and activities soon. As well, more details on the upcoming Annual Terry Fox Run will be posted at the end of August. Anyone that is interested in assisting with their time and volunteerism for events and activities hosted by Recreation are encouraged to do so. Facebook is a good tool to connect with Beauval Recreation or you can call the office 306 288 2064. We will continue to entertain ideas and suggestions from the general public, when it comes to the type of sport, culture, recreation and leisure programs that the community would like to see. Another component of Recreation is planning, designing and maintaining existing infrastructure. I am able to help to the best of my ability to follow through with some of the infrastructure plans and improvements that the youth would like to see in our community. Working together will produce great positive results.

Until next time, that is it for now. Thank You.

Wayne Laliberte, Recreation Director

CIPI Newsletter – August 24th, 2018

NOTICE from the Northern Village of Beauval

As of August 14th, 2018, the Northern Village of Beauval has reached an agreement with the Ministry of Environment to extend the landfill operation for another year...however there is a few stipulations that need to be followed.

1. All vehicles entering the site will be checked as to where your waste can be disposed.
2. Only residents of Beauval, Sagamiak, Amyot, Lac la Plonge & Sandy Beach will be allowed to dispose their waste at the landfill. All others must make other arrangements for the disposal of their waste at their own municipality or reserves.
3. Contractors are not allowed to dispose of their waste from outside our municipality. Anyone not obeying with these new rules as set by the Ministry will be dealt with accordingly.

Landfill hours remain the same:
Monday, Wednesday & Friday
10:30am to 11:00am & 2:30pm to 3:00pm

Closed for Holidays & Observances

Thank you for all your cooperation and let's all do our part and keep our community clean and healthy.

Carl Laliberte
Waste Management Technician
Northern Village of Beauval

*If you can't get all the school supplies needed immediately, just get the basics. Pencils, pens, Books/paper, binder, glue, coloring tools & indoor shoes for gym/class.

SGI makes changes to Alcohol/Drug Impaired Driving Laws

As of Sept. 1, 2018, there are **changes to impaired driving laws.** Existing laws are stronger, and there are new drug-related offences. These changes include:

- immediate licence suspension and vehicle seizure with a driving suspension of up to 5 years if they're convicted of drug-impaired driving
- zero tolerance for drug impaired driving for all drivers, including experienced drivers who will face immediate vehicle seizure and licence suspension
- anyone caught driving impaired while transporting children under age 16 faces longer licence suspensions and vehicle seizures, with new drivers facing a suspension lasting up to 18 months

Your ability to drive safely is impacted after drinking or using any drug, whether legal or not. Prescription and over-the-counter drugs can also make you impaired, and using any type of drug while drinking alcohol can make you even more impaired.

For more information on the consequences of impaired driving, visit our Drugs and alcohol page.
