In loving memory of
Dana & Brett Buffin
April 1st, 2000

Don't think of them as gone
away, their journey's just begun,
Life holds so many facets
This earth is only one.
Just think of them as resting
From the sorrows and the tears
In a place of warmth and
comfort, where there are
no days and years.
Think how they must be wishing
that we could know today how
nothing but our sadness can
really pass away.

And think of them as living in
the hearts of those they touched.
For nothing loved is ever lost
And they were loved so much.

*We may be apart but I'll
always carry your memory
In my Heart*

Loving remembered, always
missed by Kokum Dots,
Aunties Pamela & Zabrina,
Uncles Mark, Jeremy, Kelly
& sister, Carrie Buffin

In loving memory
Beatrice Buffin
April 17th, 2000

You'll never be forgotten
That simply cannot be.
As long as I am living
I'll carry you with me

Safely tucked within my heart
Your light will always shine;
A glowing ember never stilled
Throughout the end of time

No matter what the future brings
Or what may lie ahead
I know that you will walk with me
Along the path I tread

So rest my angel, be at peace
And let your soul fly free
One day I'll join your glorious flight
For all eternity

*Your life was a blessing
Your memory is a treasure
You are loved beyond words
Missed beyond measure*

Sisters Pamela & Zabrina

CAA Saskatchewan Worst Roads Campaign

The 2017 CAA Saskatchewan Worst Roads campaign is April 3 to 28. The worst roads travelled on by Saskatchewan drivers can be identified. New to this year's campaign is the invitation to cyclists and pedestrians to voice their concerns and nominate roads they think are in most need of improvement or repair. These worst roads might have potholes or crumbling pavement, poor road signs, lack of cycling or walking infrastructure, or traffic congestion.

SPRING THAW WARNINGS

There is an increased amount of water and potholes in the Village. Please use caution when driving as some areas are pretty deep. The Village crews are out doing their best with getting rid of the excess water. Please be patient. A warning to the community to be watchful of children playing in the puddles or near the river's edge. Keep our children safe! There are a lot of people out walking/biking, please be cautious and slow down or stop to let them pass the bad areas in town. Use caution for the walkers/bikers on the highway between here and the Reserve. Also please tie up your dogs as they pose a threat to small children and adults who are enjoying the warm weather.
Thank You

Hello! My name is Cody Docken and I am the **Youth Coordinator/Recreation Assistant** with Beauval Recreation & Minor Sports. My job includes creating programs and activities for the youth. I will be at the Youth Centre from 1:00 to 5:00pm, Monday to Friday on evenings from 6:00 to 9:00pm, I will open up the Community Gym for any Recreation events we have planned.

I will create a monthly schedule to reflect the different activities for each evening and to show if any other planned events override our regular scheduled events (the schedule is subject to change at any date). The schedule will be posted on social media, our local community scroll and posted at various businesses in town.

If you have any questions or input as to what the community needs for youth; please come see me at the Youth Centre or call me at 306 288-7470.
